

## Pool Blanket Limited Warranty

**What is covered by this warranty?** Spectrum Aquatics® warrants all products it manufactures to be free from defects in materials and factory workmanship to the original end user. This warranty is contingent upon the proper use and care of the equipment, and does not cover equipment that has been modified or has been subjected to abusive physical or environmental stresses. **All blankets that are stored on winders outdoors and unprotected from the elements must be covered with a UV protective cover in order to maintain the warranty. Storing blankets outdoors without protection will void all warranties.** Spectrum Aquatics® agrees to repair or replace, at its sole discretion, any product that fails to perform as specified within the below scheduled timeframe after date of the original shipment from the factory unless otherwise noted. This warranty relates only to defects in materials and workmanship and does not include damage or failure resulting from other causes, including, but not limited to acts of God, misuse or abuse, accident or negligence, fire, improper installation, excessive heat or ice damage. This warranty does not apply to fading of materials or to any corrosion of any metallic parts. Damage induced by the improper use of chemicals is not covered by this warranty. In the event that products are altered or repaired by anyone without the prior written approval of Spectrum Aquatics®, all warranties are voided. Failure to operate and maintain the product according to instructions may void the warranty.
